2023年度 プログラムNo. 2308

2023 International Workshop in Northern Europe

■担当教員：Toshio Otsuki

■概要：

Please see attached file or https://gmsi.t.u-tokyo.ac.jp/src/2023WS_Northern_Europe.pdf for details.

■日程：2023/9/13 (Wed) – 9/21 (Thur)

■場所：KTH Royal Institute of Technology, Furhat Robotics, Alato University, Company in Helsinki

■留意事項：

- Only students from WINGS program are eligible for application. Students from the former curriculum can not apply.
 - Airline fees and hotel feeds will be covered.
 - **Due to the limited number of participant slots, WINGS-GLAFS will conduct applicant interview prior to the former registration. DO NOT SUBMIT directly to the GMSI Office until you receive a notice from the WINGS-GLAFS Office.**
 - **Please contact WINGS-GLAFS Office (info@glafs.u-tokyo.ac.jp) to show your will of participation (deadline 2023/5/30).**
 - **After interview with WINGS-GLAFS Office**, students will be able to submit the form to the GMSI Office via URL below.
(GMSI Office application submission URL: <https://www.dropbox.com/request/Qur3aeoZMR6AFF6ftzXM>)
Since the deadline is close, students are encouraged to refer to the home page of the workshop and start preparing the application documents.
 - 13pt will be given if students fully participate in this event.
- Please register the points from this form: <https://forms.gle/ye52jZ4nxgbqYoXC9>
- Those who participated are required to give presentation report about the event after returning to Japan.
